Good school for my child - she is happy.

I really feel that the teachers truly support my son. They take the time to get down to his level, understand his needs and help me as a parent to better understand his struggles. This allows me to support him at home and continue the great work you all do. Thank you so much for your care and dedication.

I would appreciate more updates about my child’s progress.	We hold parents evening appointments every autumn and spring term. In the summer term, parents/carers will receive the written annual report. Please remember, we do have an ‘open door’ policy and so if you feel you need to speak to your child’s class teacher at any time in the year about their progress or any other matter, please speak to the class teacher directly, who will arrange to meet with you.
