

Dear Parents/Carers,

As part of our History learning, Tigers Class will be taking part in an exciting Roman History workshop in school on Wednesday 11th June. The workshop will be delivered by Humph's Histories, a highly regarded educational group who specialise in bringing history to life through immersive experiences.

The workshop links directly to our Summer 2 History topic on the Romans. The children will enjoy a wide range of hands-on activities including handling real and replica artefacts, dressing up, designing and making a Roman shield, and using it to practise marching and roleplay as Roman soldiers. It will be a fun and educational day that will deepen their understanding of Roman life and the Roman Empire.

The cost of the workshop is £12.86 per child, which should be paid via ParentPay. If your child is entitled to Pupil Premium Funding (Income Based Free School Meals), the cost is reduced to £6.34.

Payment and consent should be submitted by **Friday 6th June**.

Unfortunately, if we do not receive payments the visit will have to be cancelled.

We are very much looking forward to this workshop and the chance to bring history off the page and into the classroom!

Regards,
Mr Parker
Class Teacher
