

Friday 31st January 2025

Dear Parents/Carers

We are delighted to share with you a very special event for our Giraffes Class children! We have organised a trip to Avoncroft Museum, where we will take part in their Three Little Pigs Workshop, which links to our Science topic Materials and their Properties. The trip will be on **Tuesday 8th April 2025**.

The Three Little Pigs workshop includes an interactive retelling of the classic fairytale, as well as trying out the different building materials; making the themes of building and construction. There will also be time to explore the museum and its numerous buildings, houses and homes from different stages in time. We will also learn more about the materials needed to construct buildings at various periods in history and explore building materials and construction techniques using straw, sticks, wood and bricks.

We will leave school at 9:15 am and return to school for 3:00 pm. Children will need to wear their school uniform as normal. They will also need a packed lunch and drinks in a small bag/backpack. If you would like to order a sandwich from Cupcakes Catering, please do so via Parent Pay as you normally would do. Please do not order a hot meal for this day.

We respectfully request a voluntary donation of **£13.70** for this trip, which includes the cost of the coach. Children who are Pupil Premium are asked for a voluntary donation of **£6.85**. Please could you ensure payment is made via Parentpay by **Friday 21st March 2025**, and sign and return the slip below.

Thank you for your support.

Mrs Elmes
Class Teacher
