9<sup>th</sup> September 2024

Dear Parents and Carers

As you will be aware, we do not currently offer wrap around care before and after school for our pupils, as in previous years we have not had enough demand to make wrap around financially viable. We are currently looking into possible different options for wrap around provision here on our school site and are now in a position where we need to know if this is something that would be financially viable for the school and for our families.

Therefore, we kindly ask that you complete the table below if you would be interested in wrap around care and return this letter back to school no later than **Friday 20<sup>th</sup> September**. We will then carry out a feasibility study to see if this is a service we could offer.

	Please tick the statement/s which apply
I would like wrap around care for mornings and afternoons <b>five days a week</b> .	
I would like wrap around care for mornings and afternoons for <b>some days of the week</b> .	
I would like wrap around care for mornings only.	
I would like wrap around care for afternoons only.	

Any further information you would like to provide which would help us to organise potential wrap around care:

My child's name .....
