

*Did you know that  
St Valentine isn't  
just a patron saint  
of love, but bees  
and beekeepers  
as well?*

To thank the lovely bees for our beautiful and colourful world, we will learn a little more about them this early Spring, while they are not quite so busy yet, and only occasionally enjoying a bit of sunshine before the flowers open out.

Join us for a bee-tastic Art & Craft Club, where we will try to taste the difference when bees make their honey from the nectar of different flowers and where we will use their beeswax to make a gorgeously scented balm, just in time for Valentine's Day! Who will be your Valentine?

We will also draw, paint and print nature drawings and paintings including the flowers that bees love the most. What colour do you think is bees' favourite?

Oh, and have I mentioned that we will make cute wool pompom bumble bees too?

Art & Craft Club will take place on **Fridays after school** until **16:00** for **5 weeks** from **20/1 – 17/2/2023** for **year 1-4** children at a cost of **£35**.
