

Dear Parents/Carers,

We are very pleased to be able to offer our Autumn term after school clubs starting from Monday 31st October. All clubs are offered **free of charge** to parents/carers and each club will run for 6 consecutive weeks. The final week of clubs will be the week beginning 5th December.

All Clubs start at 3:00pm and will finish at 3:45pm – please ensure you collect your child **promptly** at the end of the club session. Please note that clubs may need to be cancelled at short notice due to staff absence/training etc. On the occasion that a club is cancelled, you will be notified via Class Dojo and/or telephone.

Clubs are available to specific year groups (**please check the list on the next page**) and are allocated on a **'first come, first served'** basis. All successful applicants will be notified via Dojo message. Each club has a maximum number of available spaces for Health & Safety/Safeguarding reasons. If your child is not successful at gaining a place in the initial allocation, they will be held on a waiting list should a space become available at a later date. Please note that as Reception children are still settling in to school, we are not offering clubs for them at this point of the year.

If a club has less than 10 children allocated this may result in the club being cancelled. Despite being mindful that teachers' limited time after school must be focused on planning, preparation and assessment, our staff are kind enough to run a club at some point during the year in order to ensure our children have a wide range of extra-curricular experiences available to them. We will continue to consider external providers over the course of the year in order to extend our menu of activities but are mindful of the cost that this will incur to parents.

We expect every child to behave in a sensible, safe and respectful manner during clubs, to enable everyone to gain full enjoyment. Although the atmosphere during the school clubs is different to that throughout the school day, the children's happiness and safety remain important. We have rules in school so we can all be safe and happy. We expect the children to follow instructions first time, be kind and caring towards others, speak respectfully to others and care for equipment and the environment. Failure to do so may lead to exclusion from the club.

Please complete the form overleaf and return to school as soon as possible.

Kind Regards
