

Computing and On-line safety rules for Bears class and Giraffe and Elephants classes, for happy, safe learning.

I want to feel safe all the time. . .

I agree that I will:

- only open pages which an adult has said are ok to do
- only work with or talk on-line to people I know in real life
- tell a grown up I trust if anything makes me feel scared or uncomfortable
- make sure all messages I send are polite
- show a grown up if I get a nasty message
- not reply to any nasty message or anything which makes me feel uncomfortable
- only e-mail or send messages to people I know, or if a grown up at home agrees
- only use a school email when at school
- talk to a grown up at school before using anything on the internet
- not tell people about myself online (I will not tell them my name, anything about my home and family or my school)
- not upload photographs of myself onto a laptop, I-pad or the internet at all
- never agree to meet a stranger.
