

## Computing and On-line safety rules for Tigers and Lions classes – for safe learning together.

*When I am using any computing technology I want to feel safe all the time. . .*

I agree that I will:

- only visit sites which are appropriate to my work at the time
- work in collaboration only with friends and I will deny access to others
- tell a responsible adult straight away if anything makes me feel scared or uncomfortable online
- make sure all messages I send are respectful
- show a responsible adult if I get a nasty message or get sent anything that makes me feel uncomfortable
- not reply to any nasty message or anything which makes me feel uncomfortable
- not give my telephone number, e-mail address, or other details and personal information – such as my school or home address to anyone who is not a real friend I know in real life
- only e-mail or message via games people I know or those approved by a responsible adult
- only use email or blogging which has been provided by school or an adult at home is aware of
- talk to a responsible adult before joining chat rooms or networking sites and game sites
- always keep my personal details private. (My name, family information, journey to school, my pets and hobbies are all examples of personal details)
- always check with a responsible adult and my parents before I show photographs of myself to anyone
- **never** talk to or meet an on-line friend without taking a responsible adult that I know with me.
