

Dear Parents/Carers,

We are very pleased to be able to offer our School Clubs for Summer Term (1) 2026. Clubs will commence w/b 20th April 2026 and finish w/b 18th May 2026.

All clubs start at 3:20pm and will finish at 4:10pm – please ensure you collect your child promptly at the end of the club session.

Please note that clubs may need to be cancelled at short notice due to staff absence/training etc. On the occasion that a club is cancelled, you will be notified via ClassDojo and/or telephone.

Clubs are available to specific year groups and are allocated on a **'first come, first served'** basis. To register your child for a school club please use the online form via the link which will be posted on Class Dojo. Successful applicants will be notified via a confirmation slip being sent home with your child. If your child is not successful at gaining a place in the initial allocation, they will be held on a waiting list should a space become available at a later date. Please think carefully about which club/s you would like to attend, and remember that when you sign up to a club and are allocated a space, it is expected that you **attend every session**. If your child is well enough to attend school, then we expect them to attend their after school club, unless there is a significant reason why they can't.

If your child changes their mind about the club they have been allocated and no longer wishes to attend, please let Mrs Bird in the office know so that the place can be re-allocated to another child.

If your child fails to attend for **two** sessions, they will be removed from the club, and the space offered to another child. We thank you for your co-operation with this.

The majority of clubs have a maximum number of 20 available spaces for Health & Safety/Safeguarding reasons. If a club has less than 10 children allocated, this may result in the club being cancelled.

We expect every child to behave in a sensible, safe and respectful manner during clubs, to enable everyone to gain full enjoyment. Although the atmosphere during the school clubs is different to that throughout the school day, the children's happiness and safety remain important. We have rules in school so we can all be 'ready, respectful and safe'. We expect the children to follow our school rules at all times. Failure to do so may lead to exclusion from the club.

Kind Regards

Mrs S Baker ,
Headteacher
